Vertiv,

The Vertiv Recruiting Team.

Dear Sir/Madam,

I am writing to apply for a position in your internship program. I am a computer engineering technology student at Shawnee State University and desirous of entering into an internship program during my summer break, 2025. I am confident that my skills and strengths would make me an asset to your team.

First and foremost, I am highly motivated to excel as a student as well as in my career and contribute to the technological advancements in the IT and Computer Engineering Industry. During my time as a student, I consistently demonstrated a strong work ethic and a drive to go above and beyond expectations. As an Intern at Vertiv, my motivation will ensure that I approach every task with enthusiasm and dedication.

Furthermore, as a competitive college swimmer, I can with confidence say that I am a team player possessing excellent interpersonal skills. My ability to work well with others will enable me to seamlessly integrate with your team, contributing positively to the overall productivity and success of the company.

I understand the importance of clear and concise communication. I have honed my communications through presentations, technical reports and academic discussions. I will utilize my communication abilities to effectively convey ideas, listen attentively and establish effective working relationships with colleagues.

I am excited to work as an Intern at Vertiv. Your company's reputation for excellence and commitment to innovation perfectly aligns with my professional goals. I have attached my resume for your review. Please feel free to contact me at josiahramdeen365@gmail.com or 1 868 468 4608.

Thank you for your time and consideration and I look forward to possibly joining your team.

Sincerely,

JOSIAH RAMDEEN
